

WHAT IS KISSIMMEE BOAT-A CADE?

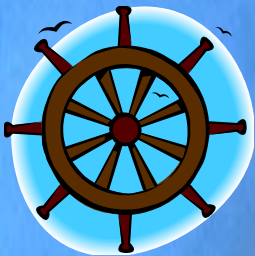

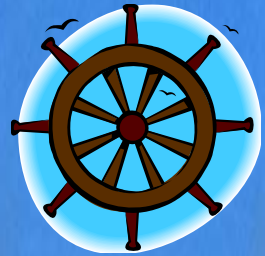

Over the past 60 years we have introduced thousands and thousands of boaters to the Kissimmee Chain-of-Lakes and many waters beyond.

The Kissimmee Boat-A-Cade, Inc. is a non-profit organization, its Directors being made up of business and professional men and women. The Board has 35 directors including officers. These Directors spend their time 12 months a year planning the June Boat-A-Cade.

They receive no compensation for their efforts and pay the same registration fees as everyone else. The work is done for you, the Boater, hoping that you will join on our Boat-A-Cades, enjoy them, and return again.

If you have a boat and enjoy family fun on the water, join us on a trip!!!
